

## MARK AURICHT SCHOLARSHIP

Sponsored by Wayne & Gabrielle Enright

**This scholarship is in honour of Mark Auricht**, a friend and mentor of Wayne & Gabrielle Enright. Mark was one of the pioneers and a strong advocate of adventure-based experiential learning for the development of leaders, teams, young people at risk and anyone who sought to explore their potential. He died on Mt Everest in 2001, leaving a legacy of immense value in the work he did in workplaces, in the indigenous community, with youth at risk and homeless people and in support of the outdoor community in South Australia.

Mark was a humble, encouraging, authentic and inspiring human being with a passion for adventure and personal development. He was highly respected by many people in the outdoor leadership and mountaineering field throughout Australia and particularly in the business community in South Australia. His influence ranged from boardrooms to the red dust of the outback. He had a love of family, the Flinders Ranges & Murray River of SA, climbing at Arapiles and being in the mountains.

In 2017 Wayne Enright published a tribute to Mark's inspiring life, so that he could share Mark's valuable legacy. Proceeds from the book: *The Spirit of Adventure Calls - A Compass for Life, Learning & Leadership* have been donated to youth at risk programs in South Australia, as this was a cause that Mark cared for and supported. Wayne and Gabrielle would like to continue paying Marks' legacy forward by supporting an annual **Mark Auricht AABAT Scholarship for an emerging leader from South Australia to attend the Australian National AABAT Forum.**

**The value of the scholarship will cover the full AABAT Forum Registration fee and subsidise airfares within regional South Australia. Total value will be up to \$1000.**
