16:00	60mins	AGM– TBC?					

Note: We have drafted the program allowing for streams of interest to be populated across the timetable eg; Culture Focus, Research/theory focus, Adventure focus, Nature-focus, Play Focus

We have 3 indoor spaces which have A/V installed and bouldering shed which has a bouldering wall but is also a good indoor workshop space.

The Dining Hall can be divided into two indoor spaces and there is also a large alfresco dining space undercover and outside the dining hall.

We have now secured an **additional large marquee** which has capacity for 150 people for keynotes and dining or workshops. There is also a **small indoor pool**.

All other outdoor spaces eg river and kayaks, oval, challenge course, low ropes course, high ropes course, flying fox, Mt Bike trail, Initiative task course, Bush block etc can be used for any of the sessions.
